**REQUESTED ACTION:**

Authorize the mayor to sign the IGA between the City of Doraville and the City of Chamblee for Doraville's use of the Chamblee Police Department's large evidence bay.

**BACKGROUND SUMMARY:**

The City of Doraville Police Department is currently undergoing re-certification through the state of Georgia. There is a requirement for re-certification for large items of evidence and property, such as vehicles, to be stored and secured in accordance with state specifications. Doraville does not currently have a space large enough within their facilities to meet the re-certification requirements. As such, they have requested to enter into an agreement with the city of Chamblee to utilize the Chamblee CPD evidence garage for this purpose.
